

Instrument Usage Proposal

Project Title:

Principal Investigator(s):

Contact Information:

Proposed Start and End Dates:

Summary of Proposed Equipment Usage and Time Requirements:

For Center Use Only:

Approved

Not Approved

Instrument(s):

Time Committed and Cost:

Post Award Report:

Time Used and Final Cost:

Otto H. York Center for
Environmental Engineering
and Science

Abstract:

Project Description:

Otto H. York Center for
Environmental Engineering
and Science

Preliminary Results and Future Needs:

List all of the instruments to be used and user's name(s)

Instrument:	User Name(s) and Previous Training:	Number of Expected Samples:

Current Funding:

Proposal Pending on This Topic (List York Center budget for each proposal):

Planned Proposal Submissions (List agency, submission date(s) and proposed York Center Budget):

Describe any hazardous (chemical, biological, radiation, etc.) material(s) being used and their possible dangers. MSDS need to be provided for all substances.
